caption pages

610 S. Broadway. Iron and marble sheathed entrance to reinforced concrete structure, 18'-11" wide, elaborate bronze-finished iron gates with stylized geometric and floral motifs, cast bronze letters "SLOW and "STOP" imbedded in pavement; ramp descends from street to basement parking area. Built 1934, Morgan, Walls and Clements, architects;

Card 1 of 2

STORY, W.P. BUILDING, GARAGE ENTRANCE (CA-2040)

Mullen and Bluett, contractors; garage was added to 1916 building by same architectural firm. Fine example of Zigzag Moderne architecture, based clearly on works at 1925 Paris Exhibition. 5 ext. photos (ca. 1975).

Card prepared 1979
